Prom Web

PROM WEB

Create a website using Notepad (hardcoding). You are designing this site for Prom. This should be an informative site for help with *Planning the Perfect Prom*. Additional items will be added as needed.

Page 1 – Homepage (Prom Theme, Date, Location, Alert Method Message)

Page 2 – Young Ladies Accessories/Clothing with stores and prices (20 to 30)

Page 3 – Young Men Accessories/Clothing with stores and prices (20 to 30)

Page 4 – Young Men Hair and Grooming (Barber Cuts, Manicures, Pedicures) (10 or more styles/designs)

Page 5 – Young Ladies Hair and Grooming (Hair Styles, Manicures, Pedicures) (10 or more styles/designs)

Page 6 – Transportation/Prices (car rentals, limousines)

Page 7 – Dinner/Fine Dining (5 to 7)

Page 8 – Other helpful information
